§ 41-43-37. *Operation as perpetual care cemetery; procedure by organizations organized or commencing business after effective date of cemetery law.*

(1) The owner of every cemetery, subject to the provisions of Section 41-43-31 et seq., that is organized, begins or continues to do business in the State of Mississippi after July 1, 2009, shall provide for the creation and establishment of an irrevocable perpetual care trust fund, the principal of which shall permanently remain intact except as hereinafter provided and only the income thereof shall be devoted to the perpetual care of the cemetery. The perpetual care trust fund shall not be subject to the claims of the cemetery’s creditors and shall not be used as collateral, pledged, encumbered or placed at risk. This fund shall be created and established as follows:

- (a) In respect to a cemetery for earth burials, by the application and payment thereto of an amount equivalent to fifteen percent (15%) of the sale price, or Forty Cents (40¢) per square foot of ground interment rights sold, whichever is greater;

(b) In respect to an above-ground community or public mausoleum, by the application and payment thereto of an amount equivalent to five percent (5%) of the sale price, or Fifty Dollars (\$50.00) per crypt sold, whichever is greater; and

(c) In respect to a community columbarium, by the application and payment thereto of an amount equivalent to five percent (5%) of the sale price, or Ten Dollars (\$10.00) per niche sold, whichever is greater.

For any sale of a lot for an earth burial, mausoleum crypt or columbarium niche in which payment is made by the purchaser on an installment basis over time, the percentage required to be trusted shall be paid into the perpetual care trust fund calculated on each payment.

(2) From the sale price the owner shall pay to the perpetual care fund an amount in proportion to the requirements in subsection (1) of this section, which payment shall be in cash, check, money order or electronic transfer and shall be deposited with the custodian or trustee of the fund not later than the fifth day of the following month from when funds are received.

(3) In addition to the provisions of subsections (1) and (2) of this section, any cemetery organized after July 1, 2009, or any mausoleum or columbarium that is built at any location other than upon property owned by an existing cemetery after that date, whether it is by incorporation, association, individually or by any other means, or having its first burial after that date, shall, before disposing of any burial lot or right or making any sale thereof and/or making its first burial, cause to be deposited the sum of Twenty-five Thousand Dollars (\$25,000.00) in cash into an irrevocable perpetual care trust fund as provided in subsection (1) of this section for the maintenance of the cemetery.

(4) Whenever the cemetery has deposited in the perpetual care fund, as required by this section, a sum amounting to Fifty Thousand Dollars (\$50,000.00), it shall submit proof of that fact to its trustee, and it shall be the duty of the trustee to thereupon pay over to the cemetery the amount of Twenty-five Thousand Dollars (\$25,000.00) so originally deposited by it in the perpetual care fund.

(5) The perpetual care fund shall be permanently set aside in trust to be administered under the jurisdiction of the Secretary of State. The Secretary of State shall have full jurisdiction over the reports and accounting of trustees and the amount of a surety bond required, if any. The trust officer or trustee responsible for the investment of funds shall be affiliated with an established bank, trust company, other financial institution or financial services company. Only the income from the fund shall be used for the care and maintenance of the cemetery for which it was established.

(6) Each geographic location of a cemetery shall constitute a separate and distinct cemetery for the purpose of interpretation and application of this section.

(7) The Secretary of State shall develop and implement a registration system for perpetual care cemeteries subject to this chapter. The Secretary of State is authorized to promulgate rules and regulations for the development and implementation of a statewide registry and to collect a registration fee not to exceed Twenty-five Dollars (\$25.00) per year to be paid at the same time as the reports and accountings required by Section 41-43-38 are due.

(8) To assist with the development of a statewide registry of perpetual care cemeteries, the county boards of supervisors in conjunction with the chancery clerks shall provide the Secretary of State with a list of all perpetual care cemeteries and other

pertinent information regarding perpetual care cemeteries situated in their respective counties no later than October 31, 2009.

§ 41-43-38. *Operation as perpetual care cemetery; accounting and reporting requirements; audits; records.*

(1) The provisions of this section shall apply to every cemetery that is required to establish and maintain a perpetual care trust fund as provided in Section 41-43-37.

(2) By March 31 of each year, each perpetual care cemetery not exempt by Section 41-43-33 shall file with the Secretary of State the following information:

(a) The name of the cemetery, the date of incorporation, if incorporated, and the location of the cemetery or cemeteries owned;

(b) The amounts of sales of cemetery lots, grave spaces, mausoleum crypts or columbarium niches for which payment has been made in full or deeds of conveyance or perpetual easements issued thereon during the preceding calendar year;

(c) The amounts paid into the perpetual care fund, and the income earned therefrom during the preceding calendar year;

(d) The number of acres embraced within each cemetery and held by the cemetery for cemetery purposes; and

(e) The names and addresses of the owners of the cemetery or the officers and directors of the corporation and any change of control that occurred during the preceding calendar year.

(3) The custodian or trustee of the perpetual care fund of each cemetery shall annually prepare and file with the Secretary of State a detailed accounting and report of the fund on or before March 31 of each year for the preceding calendar year. The accounting and report shall contain a properly itemized description of the securities in which the monies of the perpetual care fund are invested, the fund value, and any changes in the investment portfolio from the prior year's report. The accounting and report shall be at all times available to inspection and copy by any owner of a burial right in the cemetery, or the family, legal representative or next of kin of the owner, at the usual place for transacting the regular business of the cemetery.

For each day that the report and accounting required by subsections (2) and (3) of this section are late, the Secretary of State is authorized to charge a late fee of Ten Dollars (\$10.00) per day.

(4) As a condition to the transfer of any perpetual care trust fund monies from one (1) trustee or trust institution to another, the cemetery for which the fund is maintained shall, not less than thirty (30) days before the time when the transfer is to occur, file with the Secretary of State a written notice of intent to transfer accompanied with a letter of intent to receive the trust fund monies from the trustee or trust institution to which the trust fund monies are to be transferred. The fund monies shall be transferred directly from the

existing custodian or trustee to the receiving custodian or trustee only after approval has been issued in writing by the Secretary of State or his representative.

(5) Before any sale or transfer of a perpetual care cemetery or a controlling interest therein, an independent audit of the perpetual care trust fund shall be performed at the expense of the seller and/or buyer or transferor and transferee and filed with the Secretary of State. The audit shall be current within thirty (30) days of the proposed sale or transfer. No sale or transfer of any perpetual care cemetery shall occur until approved in writing by the Secretary of State or his representative.

(6) The Secretary of State shall, upon the failure to timely receive any of the records, reports or notices provided for in this section, immediately give notice by certified letter or hand delivery to the last known cemetery owner or owners, or, if incorporated, its officers and directors, at its or their last-known address, that those records, reports or notices have not been received. Failure of those persons to file the records, reports or notices within fifteen (15) days after receipt of the certified letter or hand delivery shall, in the absence of clear justification or excuse, constitute a misdemeanor and each owner of the cemetery and, if incorporated, its officers and directors, shall be subject to the penalties provided for in Section 41-43-53.

(7) Whenever it reasonably appears to the Secretary of State, any owner or purchaser, or the family, legal representative or next of kin of any such owner or purchaser, of any lot, plot, grave, crypt, niche or burial space within a perpetual care cemetery, that (a) the cemetery is insolvent or about to become insolvent; or (b) no perpetual care trust fund has been established for the cemetery or, if established, the trust fund does not contain the funds as are required to be contained therein, that party may bring an action in the chancery court in the county in which the cemetery is located. Upon a proper showing, the court shall order a private audit and examination of any perpetual care trust fund of the cemetery and of all the books, records and papers employed in the transaction of the cemetery business.

If the audit and examination show that the cemetery is insolvent or is about to become insolvent, or that a sufficient trust fund is not established or being maintained for the cemetery, the court shall exercise any jurisdiction and make and issue any orders and decrees as may be necessary to correct and enforce compliance with the provisions of Section 41-43-31 et seq. and all such other orders and decrees as shall be just, equitable and in the public interest, including the appointment of receivers to continue or terminate the operation of the business.

(8) All the necessary expenses of any examination or audit performed or court proceedings conducted under the provisions of subsection (8) of this section shall be paid by the cemetery owner or owners or, if incorporated, its officers and directors, and if a sale of any cemetery is ordered by the court, the proceeds of the sale shall first be applied to the costs expended under the provisions of subsection (8) of this section.

In exceptional circumstances only, a perpetual care owner can make an application to the Secretary of State for an order directing the trustee to release trust principal for the extended care, maintenance or improvements to the perpetual care cemetery for which interest funds are insufficient. Consistent with this section, this shall be the only instance in which a perpetual care trust corpus may be utilized for cemetery maintenance and improvements. In the consideration of the application, the Secretary of State may require the production of any records deemed necessary and relevant to the cemetery's application for a major capital expenditure.
